

BRUINS CELEBRATE THANKSGIVING WITH DINNER, DANCE

Annual Grid Banquet Honors Players Tonight From All Three Squads

Tonight the Football Banquet, sponsored by the Letterman's Club, will be held in the school cafeteria. Serving will begin at 6:30.

All football players, Thirties, Jay Vees, and Varsity, will be honored at the banquet marking the end of the season. Blocks will be given to those who have accumulated sufficient playing time.

Some two hundred and fifty players, their dates, parents and members of the Buchser faculty will hear Coach George Haines of the U. S. Olympic Team as guest speaker.

Spaghetti and meat balls will head the menu and girls of the spirit commission will serve.

The banquet precedes the Autumn Whirl which is to be held from 9:00 to 11:00.

FUR FLIES IN SENIOR FINALE

Yesterday the annual football game between the seniors and underclassmen was held.

The participating seniors were: Lynn Hastings, Tom Feeley, Bob Reem, Pat Harrison, Ron Gardner, Vaughn Kohanek, George Santich, Ed Wolterback, Tom Mlakar, Con Knutson, Wayne Pate, Bill Budisich, Ed West, John O'Leary, Lloyd Crowther, Dave Rios, Phil Giebel, Dick Williams, and Jack Smith.

Opposing juniors were: Rich Marks, Dave Shellabarger, Lou Basile, Roger Hill, Bill Ingram, Mike Hakeem, Doug Jackson, Dennis Destafano, Paul Buteau, Larry Wittom, Charles Remone, Rich Zorker, Jim Egan, and Russ Duncan.

Those sophomores who helped the juniors were Al Della Maggione, Mike Stuart, Ed Quintal, Bill Hughes, Rex Calhoun, Tom Stanton, and Mike Pine.

Since Buchser's football field has stands only on one side of the field, the bleachers were divided in half. Rooters from the other two classes were allowed to sit wherever they wished.

Accompanying Merry Edwards, Bonnie Watkins, and Beth Watkins, were Bonnie Claycomb, Arlene Johnson, Linnea Smith, Marti Hoopes, Sandi McFadden, and Julie Printy as song girls.

Assisting Wendy Robinson, Bonnie Baker, Kathy Johnson, Pam Ackerson, and Diane Rose, were Enid Ortone, Carol Niensstead, and Paula Cheatam as yell leaders.

ATHLETES REWARDED IN ASSEMBLY TODAY

The annual Fall Athlete Awards assembly was held this morning in the Boy's Gym.

All boys who lettered in C and D basketball received their awards. The players who lettered on the Varsity, J. V.'s and Thirties football teams were named in the assembly, but will be given their awards at the Football Banquet this evening.

Also receiving recognition at the assembly were the Industrial Arts students who won prizes at the Santa Clara County Fair.

BUCHSER HIGH SCHOOL

Wednesday, November 23, 1960

Volume 3 — Number 6

Veteran's Day Marred By School Robbery

Sometime over the Veteran's Day holiday, Buchser High was burglarized. The robber forced his way into the school and took about nine hundred dollars from the school safe. Most of the money was Associated Student Body funds, and as a result all of the students are concerned. Also several desks were broken into and the principal's office was ransacked.

The police have investigated and are now working on the case. As of yet, no information as to who committed the robbery has been released to the public.

Parents Become Pupils At Back to School Nite

Last Wednesday evening, November 16, the parents of many Buchserites visited this school in hopes of learning more about the institution's educational program.

There was a P. T. A. meeting preceding the visitation, which the parents were invited to attend. Mr. Hileman gave brief instructions as to what the parents would be doing that night, and then turned them loose. As they scurried from class to class they met their children's teachers and learned firsthand why the teachers are so (un)popular.

ALL WARMED UP AND A PLACE TO GO

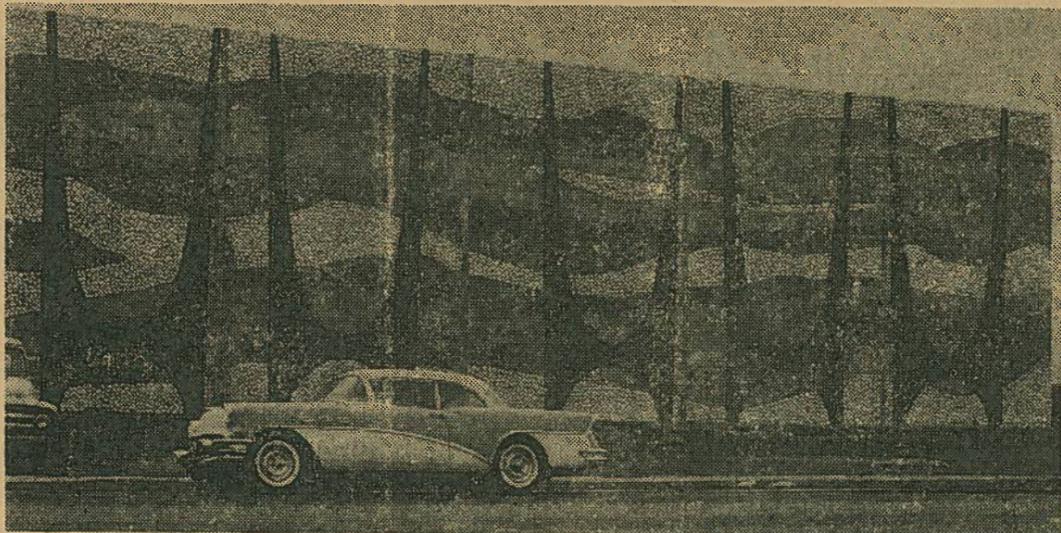

Getting into the swing of things in preparation for tonight's Autumn Whirl are (l to r) dance chairman Arleen Johnson with Leo Trombley and Bonnie Watkins with Dave Shallabarger.

SENIOR RECOGNIZED IN NATIONAL TEST

David George Fredricks, a senior transfer from Duarte High School in Duarte, California, received a letter of commendation for very high placement in the National Merit Scholarship test.

This is the same test that Gary Steinbach, also a senior at Buchser, placed in the semi-finals.

WILCOX HIGH SCHOOL WILL BECOME NEW HOME NEXT FALL FOR 850 FROSH - SOPH STUDENTS

Green and gold are the colors of Wilcox High School. Its completion is expected about July 1, 1961. This will give ample time for the new equipment to arrive before school starts.

The significance of this to B. H. S. students is that with the opening of the new building approximately 850 "frosh" and "soph" attendants of Buchser will transfer to their own new school.

The school will eventually house 2,000 students and additional construction beginning next March will continue for the following three years. To be added are 17 more classrooms, the library, and the multi-purpose room.

Buchser's own principal, Mr. Herbert Stocking, is heading the general organization of Wilcox and this requires a ten-week absence during which time the assistant principal, Mr. Don Callejon, will supervise the Bruins' activities.

Contrary to some belief, the principal, administration staff, and teachers have not been chosen for W. H. S. yet, and the selections and assignments will be made some time after January 1, 1961.

Among the outstanding features at Wilcox is the pastel colored rock mural on the front of the classroom wing. The idea for this mural was taken from another similar piece of art which the Wilcox architect observed during a recent trip to Mexico.

Also quite noticeable is the gigantic block "W" appearing on the southeastern corner of the boy's gym.

Another feature of interest to the students is the sprinkler system that is installed to

water the already seeded football and practice fields which should be ready when school opens in the fall.

Portable bleachers will be built for the football field in the near future to accommodate the Wilcox student body whose mascot is to be chosen on the "8th grade visitation day" coming up in the spring of 1961.

First Big Social Event Of Buchser Calendar Features Royalty Race

Tonight's the night! As the hour of the Autumn Whirl draws near, Buchser High students are priming and fussing with their attire. Girls will be having their hair done and giving their dresses the final touch. Boys will be washing and waxing the family car and rushing down to the cleaners to get their suits.

Bids are being sold in the student body office for \$1.25 per couple for those with cards and \$1.75 for those without. Guest passes cost 25 cents.

Each club sponsored queen or king nominees, and the reigning monarchs will be chosen tonight. Every person attending will be able to vote for a favorite candidate. The queen and king will both receive a crown, which they will keep.

There also will be a senior prince and princess and a junior prince and princess. After the coronation, there will be a special dance for the king and queen and their court.

The nominees for queen are Pam Ackerson, Enid Ortone, Aileen Carmony, Diane Rose, Julie Kenyon, Erlene Paratora, and Parry Peters.

The nominees for king are Don Triplett, Jim Brinks, Ron Gardner, Bill Bisson, Tom Pomeroy, Wes Schroeder, and Jerry Strickland.

Entertainment will be provided by the royal group, the Reveleers, and will be accompanied by The Topics.

The Journalism staff committee members are as follows: general chairman, Arlene Johnson, and assistants, Merry Edwards and Glee Papenhausen; refreshments, Leo Trombley, Tiff Hallenbeck, and Sandee Meiers; bids, Glee Papenhausen, Aileen Carmony, and Marcy Mead; decorations, Marti Hoopes, Jeanne Rutledge, and Terry Safford; king and queen, Aileen Carmony, Gayle Austermuehle, and Mary Neves; entertainment, Arleen Johnson, and Merry Edwards; and publicity, Glee Papenhausen, and Connie Smith.

SJCC CHORAL GROUPS ENTERTAIN HERE

San Jose City College presented a Christmas music program at the morning assembly today.

The performing groups included a string ensemble and A Capella choir conducted by Mr. Hansen, and the Madrigal singers directed by Mr. Canter.

The string ensemble and A Capella choir performed Christmas songs which they have been rehearsing this fall. The Madrigal singers sang "Old English Madrigal" by Handel; a vocal solo, "Where E're You Walk" by Handel; and a duet.

New S. B. Cards Arrive

Tuesday, November 8th, the new Student Body Cards arrived at Buchser.

The new cards were handed out Thursday, during the second hour administration period. Students received them in exchange for the temporary cards previously held.

The cards will be used throughout the year to receive Bear Prints, as admission to many athletic events, and to obtain the Buchser yearbook, Kodiak.

THANKSGIVING

Thanksgiving to many people is not very different from other days, except for the fact that they have turkey, and maybe visit friends or relatives.

It IS a special day though, and should be treated as one. It should be a family day where we should give thanks for our blessings.

Mainly, it is a quiet, simple day with very little fuss, but a lot of thought.

Lincoln declared Thanksgiving as a national holiday in 1863, and ever since then it has been as sort of a prelude to Christmas, especially for children. As Christmas is more for children, Thanksgiving is the parent's day; but, still the feeling of Thanksgiving should not be lost in looking forward to Christmas.

The Bear Prints staff wishes you a Happy Thanksgiving!

MOTOR MADHOUSES TAKE HOME BRUINS

An apple a day keeps the doctor away; thus goes the old adage. But we wonder if the author of this adage meant to keep the doctor away by throwing the apple at him.

Believe it or not, some "Bruins" (and we use that term loosely) think it amusing to bombard passing cars and pedestrians with apple cores as they ride home from school on the school bus. Not only is every conceivable type of litter thrown, but every bus leaving at 3:20 sounds like there is a prison riot going on inside.

We, as Bruins ought to try to behave in the manner that reflects favorably on our school? Are YOU helping to add mayhem to the madhouse?

-A. C.

STEINBACH SAYS

By Y. KNOTT

Come with us now to those thrilling days (and knights) of yesteryear. A fiery St. Bernard, a cloud of dust, and a hearty "HOO, HA!" Another knight-errant rides again.

Sir Rupp (a bit of a sticky wicket) rode up to St. George and the Dragon's Inn on his trusty St. Bernard and asked the horrible woman who answered the door for a night's lodging. (Did you catch the pun?) "No!" she screamed loudly, and slammed the door in his face.

Undaunted, he knocked again, and when she answered the door this time, he asked to speak to George. When George saw the plight (Please put pout pthe plight.) of Sir Rupp, he relented, saying, "I wouldn't put a knight out on a dog like this."

Two Englishmen were boasting about their ancestry and one of them had been listing early and dukes for twenty minutes when he suddenly turned to his companion and demanded, "All right, old chap. Put up YOUR dukes."

One of Buchser's seniors has a unique solution to the world's problems: He strongly advocates feeding everyone intravenously. (He asked me not to publish his name, because he felt that people would think he is a nut, which he is.)

The foreman of the lumber camps put a new workman on the circular saw. As he turned away, he heard the man say, "Ouch!"

"What happened?"

"Dunno," replied the man. "I just stuck my hand out like this and — well I'll be darned. There goes another one!"

This next short conversation has an important significance to all of us.

"Sir, I pulled your daughter out of the water and resuscitated her."

"Then, by George, you'll marry her!"

(The significance of this is that we should all try to improve our vocabularies.)

GUSTODIAN ENJOYS BUCHSER STUDENTS

By VIRGINIA CASH

Waiting each day to go home to his wife and two girls, ages 12 and 8, is Frank Vierra, custodian and bus driver.

Being 5' 6", possessing blue eyes and gray hair, he is a man whose most exciting pastime is fishing. Born and raised in Massachusetts, his last year in school was in Hauck School in San Jose, where he graduated from the eighth grade.

When asked, "Do you recall hearing amusing statements from kids while on the bus?" He replied, "Kids jabber a lot, but they aren't amusing or exciting."

He seems to be one who enjoys spaghetti cooked by his wife.

After driving trucks for about twenty years, he came to Buchser and enjoys his job because he likes working with young people and watching them grow.

I close this issue with a "Little Willie" rhyme. These rhymes have been around since 1899 and are still capable of turning the most stable stomach.

*Little Willie, with a shout,
Gouged the baby's eyeballs out;
Stamped on them to make them pop.
Mother cried, "Now William,
stop!"*

FASHION FROLIC

By MARTI

Well, here is a new report on the latest glad rags.

It seems like everyone is really falling for the new fall colors this year.

Browns and pastel colors are really the style as GAYLE AUSTERMUEHLE really looked nice in her brown bulky sweater and her gold pleated skirt.

TERRY SAFFORD showed off fall color in her brown pleated skirt with dyed to match sweater.

Some people seem to be having the blues this fall. I don't mean sad blues, I mean blues like LONNIE KIRK in her blue and black skirt. JEAN CAMPBELL didn't look sad at all in her cute suit! Hey, that rhymes. It was light and dark blue plaid.

NORMAN BOWERS' blue sweater was nice also.

Browns, browns, and more browns. That's the way it looks here. Why just the other day, JEANNIE RUTLEDGE was wearing a pretty brown straight skirt with a tunic top and GEORGIE WARD looked real good in her dyed to match medium brown straight skirt and sweater and white and brown print blouse.

I'm putting too many and's in, so here goes again.

WES SCHROEDER was wearing a nice looking greyish-brown sweater the other day and MICHELA GORZELSKI wore a real attractive brown beige, and white tweed print skirt and matching wescot.

GARY SALZMAN, our foreign exchange student, has been seen wearing a nice bright sweater to some of the games.

Gold is certainly showing up this time of the year.

BOBBIE STAIRET looked very pretty in her gold blouse and black skirt. ERLINDA GARNICA and VIRGINIA BIELENBURG seem to be showing the brighter side of fall in red. ERLINDA'S red sweater and VIRGINIA'S red blouse with black print are surely nice.

Did you see MARY ALICE LEE'S bright red vest. It is really nice.

DICK WILLIAMS believes in mixing Bruin colors and fall colors together. He really looked nice in his red, green, and white pendleton.

Vests seem to really be the style, as so many kids are wearing them. Not only does LOUIE ZAPATA wear a real bright red one, but REX CALHOUN, MIKE COWAN, and GREG DeSILVA were wearing real nice green ones.

FRESHMAN CLASS OFFICERS INVADE BUCHSER FROM EASTERN SEABOARD

By MARY NEVES

Being 5' 8" tall, weighing 140 pounds with gray eyes and brown hair is Gary Ater, the freshman boy of the week. He was born in Virginia on December 20, 1944. Gary has one sister. His sister's name is Pat, and she graduated from Buchser last year. She is now attending San Jose City College.

Gary was recently elected President of his class and belongs to a combo called the "Dell Tones". He is also out for track this year.

Rated high on his favorite foods list are pizza and hamburger. His favorite actress is Jane Fonda and he likes to watch "Twilight Zone" on television. The best picture he's seen so far this year was the "Time Machine".

His ideal girl should be 5' 6", with brown hair and brown eyes. (News is, he's already found her!)

Gary's pet peeve is people who talk too much or people who don't talk enough.

When asked what he thought of Buchser, Gary replied, "Tough!" He explained that this meant he thought it was a real good school and he enjoyed going to it.

BRUIN'S DOIN'S

Jeanne Rutledge hosted a get-together at her house after the Buchser-Camden game. Among those attending were Lloyd Crowther, Rich Salazar, Joann Schmidt, Dick Williams, Kris Di Bari, Merry Edwards, Bob Runyon, Wes Schroeder, Linnea Smith, Bonnie Claycomb, Stan Wills, Elaine Fisher, and Arleen Johnson. Mike Hakeem and Russ Duncan also dropped in.

Bernie Lewis surely looked cute sitting with the Bruinettes during the Camden-Buchser game. Too bad he forgot his Bruinette uniform.

I think that most of the Bruinettes would like to be able to wear long red underwear with their uniforms. At least that is the impression that Judy Ravnor gave. Poor Judy was so cold.

Dark brown hair, brown eyes and a beautiful, captivating smile are the assets of our Freshman Girl of the Week, Glenna Thrower.

Glenna was born at the Naval Academy hospital, Annapolis, June 4, 1946.

Because of her father's occupation, Chief Petty Officer, United States Navy, she spent 4 years in Hawaii, where she attended the second through the fifth grades, and learned to hula.

Her most embarrassing moment at Buchser, she revealed as being the time she slipped and practically fell, on the stairs in front of the student store, and being elected Freshman class treasurer was her most exciting and happiest moment at Buchser, Glenna remarked.

When asked what her ideal boy was like — she replied, "He would have to be about 6' tall, because I'm 5' 6". He must have black hair, blue eyes, a good personality, a sense of humor, and dimples. She went on to add that this description didn't fit any certain boy — yet!

Pizza, dill pickles, chicken, and anything chocolate is the ranging assortment of foods Glenna claims as her favorites.

Although she couldn't decide who her favorite teacher was, she readily announced that her favorite class was Study Hall, because of the lack of homework, which the class offers.

People who don't smile and say hi, as they walk down the hall, are the promoters of Glenna's pet peeve, which she remarks, "is very annoying", especially if it's your best friend.

GRADUATE GOSSIP

By MERRY

Hi! And here I am again with more news on the graduate level.

As you probably noticed, the Santa Clara football game brought out numbers of moms, dads, brothers, and sisters. But did you notice the numbers of alumni that also attended?

Among those seen in the stands were JIM McGUIRE, quarterback for the Bruins in last year's victory over S. C.; SANDI WHITMER, one of last year's yell queens; SHARON GRABOWSKI, WENDY ALBEE, BEBE O'BRIEN, LYNN WATKINS, DEE COMBS, and many more.

Last week's game against Camden also had some alumni spectators. A few seen were CHARLIE PETERS, STEVE WILLIS, and DENNIS WILSON.

While on the more academic level, MIKE PITTS, PAUL STEWART, and DANNY VOGT are enrolled in San Jose City College this year.

Speaking of S. J. City College, the Bruin J. V. football team is being coached by a student from there. He is better known as MIKE BURKE, who played football for Buchser before he graduated.

HISTORY CLASSES HIT ELECTION ON NOSE

While the nation was preparing for its presidential election of a few weeks ago, Buchser U. S. History and Senior Problems teachers were holding one of their own. Each teacher had his students fill out actual Sample Ballots obtained from the county.

The results of this election in comparison with the state one were strikingly identical; that is to say, that the history class elections were within 1/2 of 1% being the same as the state. Students also correctly picked all elected offices on the ballot.

The teachers involved in this political poll were satisfied with the results alright; yet, they were concerned about many of their students attitudes and reasoning toward the election.

As Mr. Amaral put it, "Complete ignorance by most students in U. S. History and Senior Problems existed during the elections."

He feels that many students lack a true understanding of our government, and that they place too much importance on newspapers, so-called "debates", and mostly family opinion.

It was further pointed out that there was a definite religious effects both ways.

MR. T. AND MRS. B. ARE NEW AT BUCHSER HIGH THIS YEAR

By ARLEEN JOHNSON

Mrs. Mildred Baker, our teacher of the week, is Nebraska born, but calls Fresno her home town.

She attended Fresno State for a period of two years. From there she went to the University of Southern California. Along with her accomplishments in teaching, she has worked as a business secretary. Mrs. Baker has taught high school in Los Angeles and San Francisco.

She now lives in Saratoga with her family.

When asked what she thought of Buchser and its students, Mrs. Baker said, "Buchser is a beautiful and modern school", and she likes the student body very much.

Mrs. Baker has three children; one boy, who is eleven, and two girls. One girl attends the University of California and the other is a grammar school student.

Mrs. Baker enjoys playing bridge in her spare time and participates in her hobby quite often.

Sparkling blue eyes, apricot blonde hair, and a warm smile are just a few of her many physical assets. She is quiet, calm, and reserved.

Mrs. Baker is a counselor and she will be glad to help as many students as need her services to solve their problems.

By GLEE PAPPENHAUSEN

If any students have seen a handsome and debonaire male walking down the hall, take note, he's not a student, but our own Mr. Tofflemire.

This popular man was born in St. Helena, California, and has lived in California for the better part of his life. He went to San Jose State for his advanced schooling to become a chemistry teacher and he finished his "term" at the College of the Pacific.

Before Mr. T. went to school for the extra year of school required to become a teacher, he entered the Navy for three and a half years. He went to Officer's Candidate School with Mr. Haglin, where his favorite teacher was Mr. Gamache. He then was sent to Hawaii with the rank of Lt. Junior Grade.

While Mr. T. was in the service, he married Mrs. T. and now has four children; Jennifer, 6; Judy, 4; Eric, 3; Anne, 1. He also has Michele, his pet dog (a very close relative).

Our featured teacher enjoys chemistry immensely, (he has to for he teaches it), and abhors people who keep him waiting. Since Mr. Tofflemire is so pleasant, he likes many things including astronomy, collecting rocks, Mexican food, and ambrosia.

Mr. T. has no favorite pastime, because, as Gary Steinbach puts it, "now he's married".

THE QUESTION OF THE WEEK

What do you think of short skirts?

RICHARD WOLF: The more legs the better.

MIKE HAKEEM: Are they necessary?

MARY ALICE LEE: I like sexy knees.

DOUG JOHNSON: They ought to be shorter.

DON LEE: Too long.

PEGGY LACITINOLA: I like them on short girls.

LOUANN POMEROY: It depends on what they expose.

RON SAMARCELLI: I like 'em.

PEGGY REINART: It's all right if you don't have knobby knees.

RUSS DUNCAN: It depends on how short they are.

BARBARA HUFF: Daring!

MARCIA MALLORY: I like them but after hiding from Mr. Hileman at lunch last week I'm afraid to wear them.

BELINA ROTHMAN: They're cute on cute knees.

CAROL KAPILOFF: If you have nice knees (like I do) they're O. K.

DOUG RICHMOND: They ought to be banned.

RHONDA WILLIAMS: If you don't have bow-legs.

LARRY JONES: They're swinging.

BOB O'NEIL: They're getting too short.

- () 8. Volleyball
- () 9. Coed Softball in Spring
- () 10. Noon Movies
- () 11. Music listening (Variety of types.)
- () 12. Other suggestions:

The ballots will be picked up during 6th period by members of the leadership class. BE SURE THAT YOU VOTE!!!!

VARSITY SPLITS FINAL GRID GAMES

Bruins Drop Camden In Last Home Game

With 26-19 Triumph

The Bruins mauled their way to a 26-19 victory over the Camden Cougars in the last home game of the football season.

The ironic thing about the Camden game is that according to total yards rushing, total yards passing, first downs, penalty breaks and number of plays, the Cougars should have won.

In the first quarter, Buchser made one play of four yards then fumbled and Camden recovered. Six plays later, Bob Reem intercepted a Cougar pass and romped 81 yards for a Bruin touchdown. Della Maggiore went around right end for the extra point, and the score stood at 7-0.

Following Reem's touchdown, Camden went 85 yards in 9 plays for a T.D. The conversion try constituted a pass and it gave Camden the extra point.

Ron Gardner took the Camden kickoff on his own 19 yard line and zig-zagged his way into the end zone for another Bruin score. On the P.A.T. try, Della Maggiore attempted to pass to Bob Reem, but it was overthrown so the score remained at 13-7.

The Bruin second quarter T.D. came as a result of Denny Destafano blocking a Camden punt. With the ball in the Bruin hands and on the 27 yard line, quarterback Skip Della Maggiore elected to pass. His pass to end Mike Stuart was complete and Mike went in for the score. However, the conversion was missed and the scoreboard showed Bruins 19, Cougars 7. Following the Buchser T.D., Camden made a drive which ended in the end zone. The conversion was missed and the score was 19-13.

In the third quarter the Buchser break came as a result again of Destafano. After the Camden center snapped the ball, the Cougar backfield started shifting to the left for a pitchout play. Destafano rushed in and batted the pitchout to the ground where Dave Rios fell on it. The Bruin touchdown was made by Della Maggiore from 3 yards out. Reem's kick for the conversion was good, thus the score was 26-13.

In the fourth quarter, Camden passed to a touchdown in the final minutes. The P.A.T. try was missed and the score was 26-19 and so it remained through the final gun.

LIGHTWEIGHTS GRAB 3RD SPOT IN LEAGUE

The Bruin Cees and Dees have both grabbed third place in SCVAL-West competition. The Cee team has a record of 8 wins and 3 losses. The Dees had a 7 win, 4 loss record.

Since the last issue of Bear Prints the Cees and Dees have played four league games. The Cees have won three of the four and the Dees have won two of the four.

Fate had Mountain View slated to lose both lightweight basketball games. The Cees edged the Eagles 35-34. In the Dee game it was a different story. The D's dumped Mountain View 42-10.

In the Saratoga game, the Dees won with a score of 39-17. The Cees ran the Saratoga 120's into the ground by annihilating them 66-21.

The Los Altos Knights eked out wins in both games. The Cees were beaten 41-43, and the D team lost 15-19.

The champion Campbell 10's edged the Dees with a score of 26-28. In the Cee game the Bruins revenged the Dee loss by beating Campbell 41-33.

Bees Sting Jets 13-6 In Lightweight Finale

The Buchser High 130's, playing their last game of the season, came on in the second quarter to fight to a 13 to 6 victory over the battling Sunnyvale Jets, last Friday night at Diesner Field.

After stopping the Bees cold on the Sunnyvale 2 yard line, the Jets took over and four plays later they were forced to punt. The ball sailed to their own 19, where the Bees took possession as the second quarter started.

On the next play quarterback Tom Roark tossed a 19 yard pass to Ed Afanador for the first T. D. of the game. The conversion was good.

The Bees scored again in the second quarter as quarterback Roark tossed another touchdown pass. This time it was a 16 yarder to Ron Bledsoe. The conversion was no good.

The Jets scored their only T. D. of the game when John Schaefer intercepted a pass on the Buchser 40 yard line and ran it in for the score. Their conversion try failed.

UP FROM BEES

Leroy Scarlett, All League guard for the SCVAL championship B basketball squad last season, is being counted on to turn in a top performance for the Buchser varsity this season. Coach Gene Unger hopes that a repetition of Scarlett's heady playmaking of last year will help to make the Bruins a title threat in the "Big League" this winter.

BRUINETTES STRUT AT COUGAR GAME

Once again the Bruinettes turned in a successful performance, the one in question being at the Camden game. They formed a block formation. Due to bad timing, the drill team and band were still on the field when the football players returned and the results were a bit chaotic.

At the end of this semester, the Bruinettes will be disbanded, but try-outs will be announced late in the spring for a new team. It will be completely reorganized and have stricter requirements such as good appearance, a good figure, and good grades.

Those who marched in the Camden game halftime were: Parry Peters, Sharon Hurst, Sherry Brooks, Anita Montgomery, Glee Papenhausen, Susan James, Trish Reilly, Nancy Schulteiz, Terry Safford, Sharon Kelly, Aileen Carmony, Erlene Paratore, Connie Johnson, Arlene Johnson, Lindajack, Arlene Smith, Bonnie Claycomb, and Judy Schmidt.

Weak Fourth Period Costs 21 - 7 Defeat In Sunnyvale Finale

Buchser's last varsity football contest of the year ended in defeat for the Bruins, as they were downed 21-7 by the Sunnyvale Jets last Friday at Diesner Field.

After the opening kickoff the Bruins were unable to move the ball and punted to the Jets, who scored in seven plays from their own 43 yard line. The boot for the PAT was good. After the kickoff, the Buchser team gained a first down on a 13 yard run by Ron Gardner, but what might have turned into a scoring drive was stalled on the Sunnyvale 46, and the Bruins once more punted. The Jets took over on their own 20, and moved to the 45 before having to lay shoe leather to pigskin. As the quarter ended the score stood at Sunnyvale 7, Buchser 0.

In the second stanza the Bruins got the ball on their own 30 yard line, but were forced to punt once again to the Jets. The Sunnyvale squad pushed their way to the Buchser 20 where it ran out of gas and the Bruins took over.

This time, the running of fullback Pat Harrison and the passing of Skip Della Maggiore added up to an 80 yard touchdown drive. Della Maggiore passed to Bob Reem in the end zone from 14 yards out for the tally. Bob Reem's boot was good, and the score was tied at 7-7.

The Jets ran back Bob Reem's kickoff to their own 32, but Buchser's fullback and season captain Pat Harrison picked off a Jet pass to give the Bruins the ball on the enemy 45.

Quarterback Della Maggiore connected with Reem three times for a gain of 27 yards, but time ran out, and at the half, the score still stood tied at 7-7.

In the second half, the Bruins kicked off to the Jets, but a Sunnyvale fumble recovered by Dave Shellabarger turned the ball back to the Bruins. Two penalties combined with three line smashes by Pat Harrison put the ball on the Sunnyvale 3 yard line, but the Sunnyvale line held and the Jets regained the pigskin on the 2.

In four plays the Jets moved the ball almost to mid-field, where another fumble returned the oblate spheroid to the Buchser team.

A 33 yard dash by Ron Gardner again put the ball on the Sunnyvale 3, but the Bruins were still unable to score and relinquished the ball to the Jets. After three quarters of play the score was still deadlocked at 7-7.

A 46 yard run for the high point of the Sunnyvale drive that followed, as the Jets went 98 yards for the score. The PAT was again good, as the Jets took a 14-7 lead.

The Jets once more kicked off to the Bruins, who again punted. This time a Sunnyvale player fumbled and gave Buchser the ball. The Bruins couldn't move the ball past the 10, and the ball was to change hands three times before the Jets again scored on an intercepted pass. The try for the point-after-touchdown was again successful.

The final score was Buchser 7, Sunnyvale 21.

BRUIN BEES WALLOP BABY COUGARS, 27-0

The Buchser Bees, playing their last home game of the season, defeated the Camden Cougars by a score of 27 to 0, to gain their third league win.

The Bruins had the Cougars by the tail right from the start as they took the opening kickoff and marched 74 yards to score, when fullback Ron Sasao plunged into the end zone from 3 yards out. The conversion was good.

The Bees tallied again in the second quarter when they took a punt on the 36 yard line of Camden and scored five plays later on a 10 yard run by Ron Bledsoe. Again the conversion was good.

Three plays later the Cougars fumbled on their own 25 yard line and on the next play fullback Sasao snagged a toss from Jerry Hirata for the T.D. The conversion failed, so the score was Buchser 20, Camden 0.

In the third quarter the Bees scored again after a 63 yard drive on a toss from Hirata to Tom Roark.

Junior Varsity Tips Sunnyvale Jets 7-0

The Bruin Junior Varsity finished up their season with a win over the Sunnyvale Jets by a score of 7-0.

The touchdown came as a result of a 40 yard pass from Phil Bruce to Mike Adago who went in for the touchdown. With the score 6-0 the ball was given to the halfback, who went off tackle to score the extra point, making the score 7-0.

Although the T. D. was made in the second quarter, the score remained the same through the final gun.
